

**REMARKS**

HONORABLE SIR:

Responsive to the official communication of 04/19/2004 within the two month time period specified, Applicant submits the above listed materials with the following Remarks.

5 In accordance with communications between the Applicant and various personnel within the Office of Initial Patent Examination, the replacement sheet 3 submitted herein includes alterations of Fig. 8 (in weight of drawing lines and avoidance of overwriting only) that are believed to comply with the requirements for Patent Drawings. Applicant is also including a check for \$9.00 to pay the additional claim filing fee needed to compensate for the inadequacy of the original filing fee submitted with the  
10 application on January 13, 2004.

All of the stated grounds of informalities have been properly corrected. Applicant therefore respectfully requests that the Office of Initial Patent Examination reconsider the presently outstanding Notice to File Corrected Application Papers. It is believed that a full and complete response has been made to this outstanding Notice, and as such, the present application is in condition for assignment to an  
15 Examiner. If the Office of Initial Patent Examination believes, for any reason, that personal communication will expedite prosecution of this application, they are invited to telephone the undersigned at the number provided.

Prompt and favorable consideration of this Response is respectfully requested.

Respectfully submitted,
